BEAVER GUEST RANCH

Small and Friendly with a European touch, The Beaver Guest Ranch is a cozy log home surrounded by untouched nature, amazing scenery and picturesque landscapes. Come and enjoy horseback riding with their friendly horses, spectacular waterfalls in the nearby provincial wilderness park, fishing on one of the many surrounding lakes and much more. Information in German available. www.beaverguest ranch.com

BIG CREEK LODGE

With cabins nestled among the trees lining the Big Creek, guests experience a feeling of remoteness and comfort at the same time. This Canada Select 4 Star "Country Inn" is the perfect opportunity to fulfill two types of vacations: a relaxing program that can also have some activities or an adventurous vacation in the wild on trails with well trained horses. Certainly both types of escape can be mixed as guests start their holiday by laying on a comfortable lawn chairs doing nothing before stepping into a different area of venture. Enjoy short or long horseback rides with "your horse" and even a little cattle work! www.bigcreeklodge.com

FREE REIN RANCH

Located on a private lake and surrounded entirely by a boundless forest range, this 285-acre ranch is the perfect location for days of exploration and adventures in the saddle. Guests can be completely involved in the daily running of the ranch or simply kick back and relax. Whatever your previous saddle experience, there is a variety of western riding to inspire you and when you wish to enjoy some tranquility and solitude, the lodging provides you with the ideal sanctuary. A nearby lake provides the absolute best way in the world to cool down and refresh after a day in the saddle. Explore the surrounding trails on foot or use our mountain bikes to experience a more exhilarating taste of freedom. www.freereinranch.com

SIWASH LAKE RANCH

This remote ranch is small, personal and sophisticated; beckoning to travelers who seek freedom, genuine adventure and life-enriching experiences. Siwash is an all-inclusive, multi-activity destination where you roam the open range on your own or with a personal riding guide. Enjoy Synergy with Horses™, a unique riding program part of CTC's Signature Experiences Collection. Siwash holidays feature riding to your heart's desire—for first-time beginners through to expert riders, or choose from an array of wilderness experiences: fly-fishing, wildlife safaris, river and lake activities, and guided eco-adventures. Following a day of wilderness adventures, you'll appreciate fresh, healthy food and complete comfort at this unique guest ranch. Experience authentic log home living, or luxury camping in a white canvas safari tent. www.siwashlakeranch.com

SUNDANCE GUEST RANCH

Sundance Guest Ranch is just an easy four-hour drive from Vancouver, BC, and located in one of the warmest, sunniest spots in Canada. Sweeping, panoramic views of the wide open Thompson River Valley greet guests up on arrival. Sundance Guest Ranch runs a herd of over 100 happy, well-cared-for horses with thousands of acres of spectacular and varied terrain to explore, whether you're looking for relaxing, instructive or exciting adventure. Experienced wranglers will give you all the instruction you need to make your horseback experience as safe and fun as possible. All the outdoor fun builds up quite a hearty appetite and Sundance is almost as famous for the food as it is for the horses! www.sundanceguest ranch.com

Guest RANCHES

Cariboo
Chilcotin Coast
REGION

The Cariboo Chilcotin Coast is true cowboy country, home to the province's highest concentration of guest ranches. Discover wilderness settings, scenic trail rides, rejuvenating spas, great food and western hospitality. Whether you want to experience life as a ranch-hand, wish to be pampered under lavish accommodations or experience the thrill of backcountry adventure, this "Land Without Limits" has it all.

BACKCOUNTRY ADVENTURES »

Hike, Bike, Flight

TYAX ADVENTURES

Experience the beauty of BC's South Chilcotin Mountains! Guided Adventures have been created with the outdoor explorer in mind. Their experienced, friendly and knowledgeable guides will show you some of the most pristine backcountry on the planet. Hike or explore farther by horseback just like the pioneers did. Mountain bike endless single-track, relax at one of British Columbia's most remote luxury camping sites – Sky Camp on Crystal Lake or travel by floatplane to some of Canada's most breathtaking glacial formations. Combine a tour with a visit to Vancouver and Whistler or connect with Tyax Adventures pre or post your Alaska Cruise or Rocky Mountaineer Rail Tour.

Grizzly viewing

CHILCOTIN HOLIDAYS

At Chilcotin Holidays the spirit of Canada's Wild West lives on. All their trips and adventures incorporate cultural and historical elements of the authentic western wilderness lifestyle. Everything is completely customized, so you can choose between a leisurely trip, action packed or something in between. Many of the wilderness add-ons are multi-sport activities that are part of the livelihood and essential to survival in nature and working with horses. For a true BC experience, include a Guided Grizzly Viewing Safari in the early season or Mountain Lion viewing in the winter months for your clients. Information available in German.
